Polyester Micro Glitter Powder

.008 hex particle size

Polyester super fine micro glitter has a delicate sparkle with brilliant shine.
Please use only cosmetic grade polyester glitter powder for body arts, craft glitter is not recommended.

Packed in plastic 'pouf' bottles for fast and easy application. Bulk sizes available packed in bags.
Glitter is sold by WEIGHT NOT VOLUME. You get exactly what you pay for, not less ever! Glitter colors vary in density so one color may appear a but under-filled while another will appear overfilled.

Color is approximate and will vary on every computer monitor.
